

Idaho Arctic Grayling Club Guidelines

Goal: Catch and release an Arctic Grayling within the State of Idaho with a fly with a barbless hook using fly tackle.

Rules

1. The fish must be photographed with minimal stress. (We recommend using the Keep'em wet method, see www.keepemwet.org for principles and tips)
2. The fish must be caught on a single barbless fly, using fly fishing tackle. A photo of the fly must be submitted with the documentation.
3. Application must include a 20/20 Club Log Sheet with pictures.
4. Applicant must be a member in good standing to qualify for the award.
5. All fish must be caught and posted after the BVFF challenge program start date of 5/9/2019.
