Directions To The Owyhee (Map starts at I84 exit)

- Navigate to “1800 Owyhee Lake Road”. There are many routes to the Owyhee, in general you are navigating to Adrian Oregon and then following signs to “Lake Owyhee”. Here is one way to go. From Boise, plan 1.5 hours plus time for wrong turns if you haven’t driven to the Owyhee before
- Take I84 West past Caldwell and take Hwy 26 exit towards Notus/Parma
- In 12.5 miles exit onto Hwy 95 and follow the signs to Roswell, or you can continue to Parma and cut across Hwy18 to Roswell (easier, as it has fewer turns)
- Follow Roswell road to the Snake River, cross and turn right, drive 5 miles thru Adrian and turn left on Overstreet at the sign to Lake Owyhee
- Overstreet will take you to Owyhee Lake Road. Turn left and drive 5 ½ miles to the Clouse Ranch
