

Boise Valley Fly Fishers Present

WESTERN IDAHO FLY FISHING EXPO 2022

January 7-8, 2022
Boise, ID

Subject: Fly Tyer Invitation

We are pleased to invite you to demonstrate your fly tying skills at the Western Idaho Fly Fishing Exposition (WIFFE). This coming year's Expo is going to be a two-day event on Friday and Saturday, January 7th & 8th, 2022. The venue for the exposition will be at the Expo Idaho Center, Main Hall, located at Chinden Boulevard and Glenwood St., Boise, Idaho.

The Boise Valley Fly Fishers (BVFF), a 50-year affiliate of the Federation of Fly Fishers, are proud to host our 17th Annual Expo. We are celebrating our 50 or Golden Anniversary this year. Funds raised during this event allow BVFF to continue to support conservation, fishing education and access. This is a gathering that will allow regional fly tyers to showcase their talents to the fly-fishing public and exchange ideas with like-minded enthusiasts. The Western Idaho Fly Fishing Expo brings a lot of talent and experience to this occasion, and we are really looking forward to hosting another great event for 2022. We were disappointed last year having to cancel the event due to COVID; however, we are looking forward to 2022 with careful anticipation. We will be complying with any protocols called for by EXPO Idaho or our board of directors.

There will be two tying sessions on Friday, 12:00 pm until 4:30 pm (afternoon session), and the second will be from 6:00 pm to 9:00 pm (evening session). We will have two sessions on Saturday, 9 am to 12:00 pm (morning session), and the second will be from 1:30 pm to 5:00 pm (afternoon session). Tying seats will be allocated on a first come first served basis. All tyers should come prepared with a tying lamp to meet your needs; a household extension cord (12-20ft) is recommended, a soft pad for the chair or your own special comfy chair, if you prefer.

Several fly tyers have already indicated in previous emails their intent to attend, and their preferred tying sessions, but if you have not registered so far can you please fill out the following information and return it to the contact indicated at the bottom of this letter? If you do not have a printer to print and scan this registration form, then please just send us the information in an email. Thanks for your
