Again for 2022 - Fly Tyer Theater

This year's WIFFE will again feature a Fly Tying Theater where a featured fly tyer will be given the opportunity to demonstrate tying some of their favorite patterns. A different tyer will be featured every 2 hours. There will be a microphone, camera and projection screen set up in the demonstration theater to allow attendees to see and hear, up close, the details of constructing the chosen pattern.

Please let us know in your e-mail reply if you would like to schedule a session in the Fly Tying Theater. The 2-hour time slots will be assigned prior to the Expo so that you can plan your time accordingly.

Thank you in advance for your support. Please let us know if we can help with any additional information at this time. This registration letter along with additional Expo information is also posted on the Expo website at the following link:
